VILLAGE ADMINISTRATOR'S REPORT

Administrator Urban reported that closing on the sale of the Dorchester Senior Center is anticipated to be sometime in August.

The proposed sale of the village-owned lots at 142nd and Blackstone to Aperion Care is pending environmental audits by the Illinois Environmental Protection Agency. The IEPA estimates clean-up costs at $143,000. The original sales price was $100,000. However, Aperion Care is willing to pay $65,000 and assume responsibility for the lots clean-up.

Mr. Urban will be on medical leave after July 16th and anticipates returning in approximately two weeks. In the meantime he will communicate with staff from home.

Mr. Urban thanked Stephanie Blanco of Kasperek & Co. and staff for their hard work on the proposed FY16 budget. He acknowledged that the budget is not the best but is better than it was a year ago and much better than it was two years ago. Revenue from taxes is estimated to be up by 12 percent.
Mr. Urban met with retired state police officers regarding the establishment of a truck weight enforcement division. The average overweight truck stopped yields $8-10,000 in fines.

Mr. Urban has located a contractor who will repair the Melanie Fitness Center heaters at a savings of a few thousand dollars.

MAYOR’S REPORT

Mayor Rogers addressed the recent violence in the community, and noted that no community is immune from crime. Interim Deputy Chief Moore has been with the Dolton Police Department for 16 years and is managing day-to-day operations. The police chief’s job is an administrative job. Mayor Rogers pointed out that he has served in supervisory capacities in the past and is a former state police officer. He acknowledged that certain positions within the police department have not been held accountable and that will change. The village will accept applications for the advertised position of police chief through July 15th. There have been four homicides in the past three and one-half months, and the surrounding communities have also experienced recent homicides. The majority of the violence in the village has involved targeted individuals who recently moved back to the community. The police department is in the process of trying to
remove them from the community. Mayor Rogers has met with Sheriff Dart, who has at times supplied up to 30 patrol vehicles.

Mayor Rogers welcomed Charles Johnson as the village’s new building inspector. Mr. Johnson served as building inspector for Lansing for 13 years. He is working with Mr. Thigpen to implement changes in property maintenance enforcement procedures and bring the various building codes up to date. Mr. Johnson said he planned to offer a “kinder, gentler” building department which communicates with residents instead of just writing tickets.

“Coffee with the Mayor” is this coming Saturday, July 11th, from 8:30 to 10:30 a.m. at the Dorchester.

CITIZENS ADDRESS

Juanita Hester, resident, complained of potholes and standing water in her alley at 153rd and Grant St. For the past 20 years there have been no major repairs, only patch-ups. Resident also inquired if grass at vacant homes is being cut.

Kenneth Williams, Silk & Classy Barber College Shop, announced that the shop would once again be offering free back to school haircuts to boys 5-17 on Sunday, August 16th, from noon to 5 p.m. The shop is located at 804 E. Sibley Blvd. The shop is also offering free food and school supplies. Also, High School District 205 is offering a food sanitation certification class at the Dorchester this Saturday, July 11th, at a discounted cost of $50.

Arlecta Baldwin, Dorchester Townhomes, thanked Denise and Mr. Thigpen in Housing for their work in capturing a dog running loose on the property and thanked Mr. Thigpen for addressing a safety hazard presented by kids playing basketball in the street. She also asked that dumping along the fence on Dante be addressed. She asked about handicap signs in front of houses with driveways and questioned why there would be an ordinance prohibiting fencing around the townhome property. There has been dumping on the townhome property.

Rose Van Witzenberg, resident, noted Engle St. also needs to be repaved that that weeds were overgrown along the factories on Engle St., as well as a house on Engle and two houses on Park St. There is a street sign for Arthur without letters. Resident and her neighbor said that there are cats living in the empty house on Park, as well as opossum, and that the grass growing into the alley is covering a drain cover.

Ron Jackson, resident, said he has been asking that the seven dead trees on 155th Place be cut down for two years and has received no response. He said that public works left a broken curb and ruts on his grass after a water main repair, but he received a ticket for high grass this year when his landscaper was delayed. Mayor Rogers noted that the village has been cutting down trees starting last year in high crime areas and where there are ash borer beetle infestations. Public Works will return to repair the broken concrete and landscape.

Deborah McFarland, resident, noted that the backyard of the vacant house at 14319 Irving needs to be cleared. She said that three years ago she was robbed by men coming from the yard.

Pat Byrd, resident, reported that the street light at 146th and Dorchester has been out for three weeks. She has been calling Public Works every other day. Drivers are blowing through the street sign there. She thanked Trustee Pierson for the beautification sign.

Mrs. Crayton, resident, thanked the trustees for the clean-up and hopes there will be others every two to three months. She also thanked everyone for supporting the Fathers in the Park event. She is working with Trustee Muhammad to give away backpacks at the Health Fair to be held on August 15th and Dolton Park. Early registration for Thornridge High School is July 26th and 27th. She urged residents to take advantage of the upcoming food sanitation class on July 11th.

Jerry Jones, Dolton Bears, announced that its basketball players would be playing a tournament in Baltimore and Ocean City Maryland, July 20-26th, and would also visit the White House. The Bears have raised $6,500 but need $9,300. Of the 47 kids participating, 34 are Dolton residents. He thanked Trustee Brown for his ongoing support and for helping on tag day. The Bears played at Harlan High School last week and represented the Village of Dolton. Mr. Jones thanked Trustee Henyard for her Cancer Walk.
