CORPORATE BILLS

Village Administrator Urban asked for a motion to approve the corporate bills for December, 2015, in the amount of $1,677,672.17. Mr. Urban also read a statement regarding overpayment to the village attorney and provided it to the village clerk to be included in the record:

“I want to set the record straight about the matter of the payments made to Mr. Murphey’s office. A couple of months ago, as a result of a clerical error made at the Village’s end, a duplicate payment was made to Mr. Murphey’s office. I repeat – this was a simple mistake made at our end.

When the overpayment was discovered, my staff worked with Mr. Murphey’s accounts payable employee to reconcile the overpayment. A complete reconciliation was made and as a result, Mr. Murphey’s firm gave the Village a credit against future billings. The problem has been resolved.
The notion that Mr. Murphey would intentionally overbill this Village is in a word, ridiculous. Having worked closely with him for over 2 years, and being aware of his outstanding reputation as a municipal attorney, I personally take offense to any charges that question his integrity."

Mr. Urban said that as of today, the credit by the village attorney has been used up and the village owes Mr. Murphey's firm $4,000 for legal services. In response to Trustee Muhammad's question, Mr. Urban outlined the preventative steps to avoid such an error reoccurring. Trustee Brown said he was not comfortable with a credit instead of a refund. Mayor Rogers noted that the board had recently agreed to credit Food for Less for overpayment of sales taxes due to improper notice at the time. Trustee Brown said he had no knowledge of that.

Trustee Hunt said that he noted that he raised this issue at the last board minutes. He said he would like to see the overpayment refunded and that bills not be approved behind closed doors. Mayor Rogers responded that the administrator communicated to all trustees by email because there was no meeting in December. In response to Trustee Henyard's request that there be a board meeting to approve all bills, Mayor Rogers noted that the board had approved the meeting calendar.
