Trustee Hunt said that the street resurfacing list did not include streets requested by himself and other trustees. Discussion followed on how streets were selected. In response to Trustee Stubbs’ inquiry, Mr. Smith explained that the shelter on the CVS property would be set back from the corner to ensure safety. In response to Mayo Rogers’ inquiry, Mr. Smith outlined the electrical and other placement issues with the proposed new shelter on Chicago Road north of 142nd Street.

COMMITTEE REPORTS

Police and Fire -Trustee Pierson

In Trustee Pierson’s absence, the fire and police chiefs summarized their reports:
Chief Steven McCain reported that he and staff met with a representative of the Illinois Fire Chiefs Association to discuss ongoing assessment of the department. Assessment of the fleet is expected to be completed by early January and assessment of the staff by late spring of next year. Chief McCain reported on the department's response to the fourth fire this year at the Ardagh facility on November 22nd. The department will be distributing fire prevention literature this month throughout the community.

Chief Robert M. Collins, Jr. cautioned residents to be aware of their surroundings as they travel from place to place this holiday season. Dolton Police Department officers are participating in a charity fundraiser in which they compete to grow the biggest and best beard. Each officer has donated $40 to the charity of his choice and the winner will receive a gift card. The department is releasing its mobile "app" which will keep users connected with the department and notify users of alerts. Users can also report incidents to the department.

Housing Director Denise Fields reports that the department processed 949 transactions in the month of November for total revenue of $38,863.00.

Human Resources/Department on Aging – Trustee Henyard

Trustee Henyard reported that only two persons have applied for assistance with their medications from the proceeds raised by the Cancer Walks earlier this year. Residents who have received a utility shut-off notice may also apply for up to $200 in assistance from the village.

Economic Development – Trustee Brown

The former "eyesore" at 142nd and Blackstone has been redeveloped by the Dolton Rehabilitation Center for parking.

The following employers are hiring: U.S. Postal Service (www.usps.jobs), UPS (www.ups.jobs) and FedEx (www.fedex.jobs).

Administrator Urban noted that Item B was informational only and no vote was being requested. Mayor Rogers added that Item A is important and should be voted on separately. Trustee Henyard disagreed stating that we have done a consent agenda in the past. Discussion followed on ensuring that outsourcing of snow removal would be supplemental to Public Works rights under its contract. MOTION TO APPROVE ITEMS A, B, C, G AND H.

Motion by Trustee Henyard. Second by Trustee Hunt.

Trustee Henyard confirmed that the attorney she is proposing under Item G is Adam Lasker of Ancel Glink. Mayor Rogers confirmed that objections had been filed against a mayoral candidate and a trustee candidate. At Trustee Muhammad’s request, Village Attorney John Murphey outlined the electoral board process. Mayor Rogers questioned whether incurring the additional expense of an additional attorney was necessary. Trustee Hunt said that because Mayor Rogers is running for re-election and supporting the trustee candidate being challenged, he cannot be objective.

Attorney Murphey explained that Item B is authorization of a settlement agreement under which the village would acquire the property through a no cash bid process and establish a Tax Increment Financing (TIF) District. Item C authorizes the no cash bid. If the village acquires the property it will be able to wipe out over a million dollars in back taxes.

Trustee Henyard outlined the Hardship Program (Item G) that she had earlier announced in her committee report regarding helping seniors who are struggling with their utilities.

Item H was removed from the proposed consensus vote.

K. New Hire: Public Works

Mayor Rogers asked for a motion to hire an eighth new employee for public works: Kenneth Williams, Sr. In response to Trustee Brown’s question, Mayor Rogers confirmed that this was a new applicant. Trustee Brown said the applicant lacked the necessary experience. Mayor Rogers said that in voting to approve earlier applicants who lacked experience, Trustee Brown said that they could be trained. Trustee Brown responded that the name he submitted did not get hired. Trustee Hunt noted that the applicant lived in South Holland. In response to Mayor Rogers comment, Trustee Hunt said that he voted to hire some of the earlier applicants who did not live in Dolton because Supt. Stacey vouched for their experience. Trustee Henyard added that the people who were approved had experience.
MOTION TO HIRE KENNETH WILLIAMS, SR. AS FULL-TIME PUBLIC WORKS LABORER.

Motion by Trustee Stubbs. Second by Trustee Muhammad.

In response to Trustee Muhammad’s question, Supt. Stacey confirmed he had interviewed the applicant. The village is in compliance with the union contract’s staffing requirements. Because the seven new employees were recently hired, there is room in this year’s budget for an eighth hire.

CITIZENS ADDRESS

Deborah White, resident, thanked Mayor Rogers for visiting her family in the hospital emergency room while they awaited word on the condition of her child, a victim of gun violence in Dolton. Ms. White also expressed thanks to Trustee Stubbs, Chief Collins and Chief McCain for their support.

Ms. Nabors said because the village was responsible for her losing her day care business in Dolton, it should refund her building permits.

Mrs. Crayton, resident, announced that the CHARTERS Youth Commission is sponsoring its annual food basket giveaway and expressed her thanks for the turkey giveaway.

Resident and former employer of Ms. Nabors’ day care center, spoke in support of Ms. Nabors. She said that the center employed Dolton residents and Dolton residents were clients of the center.

Trustee Henyard left the meeting shortly before Citizens Address ended.
