SYNOPSIS:
Applicant is requesting a Class 8 Incentive Renewal for the approximate 6,500 sq. ft. commercial building constructed in 2005.

FISCAL IMPACT:
Subject is currently under a Class 8 Incentive where the 2016 taxes were approximately $19,000. If the Class incentive were to expire, the taxes would be approximately of $48,000. The taxes would make the strip center untenable.

RECOMMENDATION:
Request Class 8 Renewal Resolution where the expiration of this incentive is not a viable option.

BACKGROUND:
Applicant wishes to maintain the economics of the property based on the Class 8 Renewal.

ATTACHMENTS:
Class 8 Application
VILLAGE OF DOLTON
RESOLUTION NO. 17 R-___________

A RESOLUTION SUPPORTING A CLASS 8 CLASSIFICATION RENEWAL
FOR CERTAIN PROPERTY WITHIN THE VILLAGE OF DOLTON
114-130 E. SIBLEY BOULEVARD, DOLTON
PIN NO. 29-09-228-043 TO -045

WHEREAS, the Office of the Assessor of the County of Cook ("Assessor"), State of Illinois has
determined it to be in the best interests of the community to create a variety of real property classifications, in
accordance with the nature and extent of residential, commercial and/or industrial uses; and

WHEREAS, the Assessor has developed various programs offering specific real estate tax incentives,
as a tool for the attraction of residential, commercial and/or industrial investment capital for the purpose of new
construction and/or the reinvestment of capital in existing residential, commercial, and industrial facilities; and

WHEREAS, the Assessor has determined a need for special marketing emphasis and/or tax
reactivation programs within certain Cook County townships designated as being economically depressed, as
a vehicle for the creation of new jobs and the retention of existing jobs within Cook County’s commercial and
industrial sectors; and

WHEREAS, the Village of Dolton, ("Village") corporate limits lie within the boundaries of a township
designated by the Assessor as being economically depressed; and

WHEREAS, specific building, facilities, and/or parcels of land within the Village zoned for
commercial/industrial uses remain vacant, contributing to the economic conditions which warrant the
Assessor’s use of special programs; and

WHEREAS, the Mayor and the Board of Trustees of the Village of Dolton finds that the property,
described with a common address of 114-130 E. Sibley Boulevard, Dolton, PIN # 29-09-228-043 to -045, is in
need of a 12 year Class 8 Incentive renewal under the Class 8 Ordinance.

NOW THEREFORE, BE IT RESOLVED, BY THE MAYOR AND BOARD OF TRUSTEES OF THE
VILLAGE OF DOLTON, COOK COUNTY, ILLINOIS as follows:
SECTION 1: The Village has thoroughly reviewed the renewal request put forth by the Applicant, and finds that renewing the incentive provided by the Cook County Class 8 is necessary for the continued occupancy of neighborhood businesses on the Subject Property.

SECTION 2: The Village has determined that if approved by the Cook County Assessor, the Applicant’s request will result in continued occupancy of the Subject Property by maintaining the property tax Class 8 classification, thus maintaining local commerce by the Applicant and its tenants, and thereby enhancing the Village’s overall tax base.

SECTION 3: The Village has determined the Applicant’s proposal will retain a number of employment opportunities for the residents of the Village, thereby contributing to the local and regional economy in an area previously determined by the Assessor to be economically challenged and designated as an area targeted for tax classification assistance.

SECTION 4: The Village has determined that without the renewal of the Class 8 real estate tax incentive by the Assessor, the Applicant’s occupancy rate would decrease in the Village, meaning the loss of both property and sales tax revenues, as well as a projected loss of valued full-time and/or part-time employment opportunities.

SECTION 5: Through passage of this Resolution, the Board of Trustees demonstrates its support and consent for this commercial development to continue, by asking the Cook County Assessor to approve the Applicant’s Class 8 Renewal application.

SECTION 6: This Resolution shall be in full force and effect from and after its passage, approval and publication as provided by law.

Dear Stan:

Our client, Mr. Silken Patel, represents the four-unit retail center, which has approximately 6,500 sq. ft. of leasable space in Dolton. The development of this retail center was based on the obtainability of a Class 8 Incentive. The incentive for the strip center will expire beginning of 2018 if not renewed. We are therefore, respectfully requesting that the Village of Dolton issue a Resolution supporting the renewal of the Class 8 Incentive for an additional term.

This strip center has several businesses that serve the neighborhood. This new construction has added to the overall equalized assessed value of Dolton. The premise of NOT having this tax incentive will cause the tenants and the property owners to reconsider many options and one of them is vacancy. With this fairly new construction in the area, other activity of re-investment has occurred. If vacancies started to appear, that could very well reverse the trend and devalue property.

If the Class 8 Incentive is allowed to expire, the property taxes will increase 250% above the current rate. The 2016 total assessed value was at $67,497. The 2016 taxes were approximately $19,000. Without the incentive, the taxes will skyrocket to approximately $48,000. This would be catastrophic and greatly jeopardize the viability of this strip center.

We have attached a copy of the Class 8 Renewal Application we filed at the Cook County Assessor’s office, as well as the synopsis memo and resolution. We are therefore, respectfully requesting that the Village of Dolton issue a Resolution supporting the renewal of the Class 8 Incentive.

Should you need any additional information or documentation, please feel free to give me a call. I greatly appreciate your help and cooperation in this matter.

**Synopsis:**  
Applicant is requesting a Class 8 Incentive for the approximate 7,500 sq. ft. commercial building acquired through the Village of Dolton.

**Fiscal Impact:**  
Subject was partially exempt for 2016. Applying Class 8 to Assessor’s underlying fair market value would produce taxes of $17,000.

**Recommendation:**  
Request Class 8 Resolution finding the property has been vacant longer than 24 months and has not produced any tax base for some time.

**Background:**  
Applicant plans to open a carwash/office space. The will spend approximately $250,000 +/- in capital improvements and will have 5 new fulltime and 5 new part time employees.

**Attachments:**  
Class 8 Application
WHEREAS, the Office of the Assessor of the County of Cook ("Assessor"), State of Illinois has determined it to be in the best interests of the community to create a variety of real property classifications, in accordance with the nature and extent of residential, commercial and/or industrial uses; and

WHEREAS, the Assessor has developed various programs offering specific real estate tax incentives, as a tool for the attraction of residential, commercial and/or industrial investment capital for the purpose of new construction and/or the reinvestment of capital in existing residential, commercial, and industrial facilities; and

WHEREAS, the Assessor has determined a need for special marketing emphasis and/or tax reactivation programs within certain Cook County townships designated as being economically depressed, as a vehicle for the creation of new jobs and the retention of existing jobs within Cook County's commercial and industrial sectors; and

WHEREAS, specific building, facilities, and/or parcels of land within the Village zoned for commercial/industrial uses remain vacant, contributing to the economic conditions which warrant the Assessor's use of special programs; and

Sibley Boulevard, Dolton, PIN # 29-09-211-029, 030 & -057, has been abandoned in excess of 24 months prior to acquisition by Kimberly Plaza, LLC under the Class 8 Ordinance.

NOW THEREFORE, BE IT RESOLVED, BY THE MAYOR AND BOARD OF TRUSTEES OF THE VILLAGE OF DOLTON, COOK COUNTY, ILLINOIS as follows:
SECTION 1: The Village has thoroughly reviewed the development proposal put forth by the Applicant, and finds the incentive provided by the Cook County Class 8 is necessary for development to occur on the Subject Property.

SECTION 2: The Village has determined that if approved by the Cook County Assessor, the Applicant's proposal will result in substantial improvement of the Subject Property by changing the property tax classification to Class 8, encouraging subsequent development and/or commerce by the Applicant, and thereby enhancing the Village's overall tax base.

SECTION 3: The Village has determined the Applicant's proposal will create and/or retain a number of employment opportunities for the residents of the Village, thereby contributing to the local and regional economy in an area previously determined by the Assessor to be economically challenged and designated as an area targeted for tax classification assistance.

SECTION 4: The Village has determined that without the re-classification and designation of a Class 8 real estate tax incentive by the Assessor, the Applicant's project/proposal would likely faced an unsustainable tenancy in the Village, meaning the loss of both property and sales tax revenues, as well as a projected loss of valued full-time and/or part-time employment opportunities.

SECTION 5: Through passage of this Resolution, the Board of Trustees demonstrates its support and consent for this commercial development opportunity, by asking the Cook County Assessor to approve the Applicant's Class 8 application.

SECTION 6: This Resolution shall be in full force and effect from and after its passage, approval and publication as provided by law.

Re: Request for Class 8 Property Tax Incentive  
Volume: 203 / PIN #29-09-211-029, 030, & 057  
Address: 132 E. Sibley Blvd, Dolton  
Client: Kimberly Plaza LLC/ Issa Zayyad

Dear Stan:

Our client, Issa Zayyad recently acquired the approximately 7,500 square foot commercial/office building located at 132 E. Sibley Blvd., Dolton from the Village. These parcels have been exempt and not producing any property tax dollars. Because the property was vacant an excess of 24 months, the property qualifies for Class 8 Property Tax Incentive. We are therefore respectfully requesting that the Village of Dolton issue a Resolution supporting a Class 8 Property Tax Incentive for the subject parcels.

Issa Zayyad has been an active investor in the Village of Dolton. His commitment to the community is visible throughout the area, especially along this stretch of Sibley Boulevard. Like all his other investments in Dolton, the Cook County Assessors Property Tax Incentive is an important part of his overall business investment strategy and this project is no different.

Mr. Zayyad plans on spending $250,000+/- in full renovations to make this property marketable. Without a Class 8 Incentive, taxes could be approximately $45,000 or $6.00 a square foot. This would make finding long term tenants difficult. With a Class 8 Incentive, we project taxes of $17,000, a more reasonable amount.

By getting this property on the tax rolls, the new assessed value will assist other taxpayers with an increased EAV for all the taxing districts of this area. Five new fulltime employees and five new part-time employees are planned for the property's use. With income taxes and other income like the proposed car wash water usage along with employees purchasing goods in the immediate area, the ultimate goal to create commerce at this location will be a success. The Village continues to make the commitment with underutilized properties. The vision to take these properties and create commerce through the investment community has worked and it appears more are coming down the pipeline just like this property.
We have attached a copy of the Class 8 Property Tax Incentive application we previously filed at the Cook County Assessor’s office on February 14, 2017. We are therefore respectfully requesting that the Village of Dolton issue a Resolution finding the “But For” the Class 8 Property Tax Incentive in the continuing viability of this acquisition is in question.

If you need any more additional information of documentation, please feel free to give me a call. Thank you for your help and cooperation in this matter.

Sincerely,

A certified copy of a resolution or ordinance from the municipality in which the real estate is located (or the County Board, if the real estate is located in an unincorporated area) should accompany this Application. If, at a later date, the municipality or the County Board denies the applicant’s request for a resolution or ordinance, the applicant will be deemed ineligible for the Class 8 Incentive, whether or not construction has begun. In all circumstances, the resolution must be submitted by the time the applicant files an "Incentive Appeal".

SYNOPSIS: In an effort to help commercial customers realize their monthly expenses more accurately along with improving the cash flow to the Village of Dolton, commercial customers should receive their water bills on a monthly rather than quarterly.

FISCAL IMPACT: This will not generate additional revenue for the Village, but will help to normalize cash flow. This will also assist businesses with planning and meeting their monthly expenditures.

RECOMMENDATION: Staff recommends that the Board approve changing the billing frequency for commercial accounts from quarterly to monthly.

BACKGROUND: Currently, there are 16 customers (a combination of industrial, institutional and commercial customers) that are large users of water and receive their bills every month. If approved, commercial customers would be notified in writing about the changes at least one month prior to the effective date so that customers can make any changes or adjustments as necessary.

Re: Cook County Minimum Wage Ordinance (Hopefully) Made Easy

This Memorandum will hopefully clarify what’s going on with the Cook County Minimum Wage Ordinance and what the Board’s options are.

Right now, the Illinois minimum wage is $8.25 per hour. Cook County has adopted an ordinance effective July 1, 2017, which proposes to increase the minimum wage to $10.00 per hour. The County ordinance does not apply to the Village as employer (I don’t believe we have any minimum wage employees working for the Village). It imposes no obligations on the Village to monitor or collect.

The County ordinance is of questionable legal validity. The Cook County State’s attorney’s office has given an opinion that the ordinance is not valid, because minimum wage is a matter of statewide concern that should be handled by the state legislature and not individual local governmental entities. It is likely that either some employers or a consortium of employers will challenge the legality of the County ordinance in court.

In the meantime, a number of municipalities have passed ordinances opting out of the County minimum wage ordinance. There is a provision in our State Constitution which states that if there is a conflict between a countywide ordinance adopted by Cook County and a local ordinance adopted by an individual municipality, the municipal ordinance controls.
As a result, a number of cities and villages have passed ordinances saying in substance, "In our municipality, only state and federal minimum wage laws apply," thereby nullifying the impact of the County ordinance in the individual city or village. That is the measure that the Board would be considering.

In the meantime, the Illinois General Assembly has passed a bill (SB 81) increasing the minimum wage on a statewide basis. Under the legislation, minimum wage would increase to $9.00 per hour effective January 1, 2018. Many expect that the Governor will veto this legislation. If the Governor does not veto the legislation or if the General Assembly overrides the veto, then all minimum wage employers will be subject to the statewide rate.

The question may arise as to whether the Village faces any potential liability one way or another; that is, whether it adopts the opt-out ordinance or allows the County ordinance to stand. The Village will not be subject to any potential liability. Any legal dispute would be between the County and minimum wage employers.
